(Note: For CYE 1998 the assessment rate was set at one cent (\$.005) per ton.)
- (c) As of September 1, 1997, and each year thereafter, the Funding Commission shall determine the assets of the Fund and the claim and administrative expense liability incurred by the Fund for all previous years and shall establish the rates under the provisions of paragraphs (a) and (b) of this subsection necessary as of January 1 of the next year to fully fund and prefund all claim liabilities and administrative expenses through December 31 of the next year of operations.
